- You are well able to overcome any and every obstacle you might be facing today
- God has promised you a life, flowing with milk and honey, a land fertile, fruitful and abundant and you can overcome the opposition trying to rob you of your promised land
- Circumstance is temporary and not your destiny, but God's plan for your life is permanent
- You are the head and not the tail, you are called to be above and not beneath
- Possession is not a matter of God changing His promises, but a matter of God's children changing their persuasion
