- There are far too many children of God allowing life to put them down but Gods word wants to encourage you today, at the start of our 2nd qtr.....You are not going to go under you are going to **Get Up**, you are going to go over, you are going to rise up, rise above, not be conquered but be more than a conqueror.....why? Because the same Spirit that caused Jesus to get up lives inside of you, causing you to get up in everything you put your hand to in life.

It's in Getting Up that victory lies not in lying down.

Jesus said....Don't be fooled...life will challenge you, try and bury you.....

God's whole purpose of sending Jesus was for you and I to live not die.....

Goodnews.....

He died so we can live.....
