

GOD IS THE GREAT I AM

I AM THE GOOD SHEPHERD - PRAYER 1

Father God,

We come to you right now in the name of Your Son Jesus, we thank You that You are the Good Shepherd - faithful, loving, and full of compassion toward Your people. Thank You that You know each of us by name and that You never leave us nor forsake us, even in the most difficult seasons of life.

Lord, today we lift up every person who is weary, hurting, discouraged, or walking through trials. Thank You that as our Good Shepherd, You gently lead us, protect us, and carry us when we are weak. When we feel lost or overwhelmed, remind us that we are never alone because You are with us.

Father, bring peace to troubled hearts, strength to the weary, and hope to those who feel discouraged. Restore joy where sorrow has settled and renew faith where fear and uncertainty have tried to take root. Lead Your people beside still waters and restore every soul that is tired and burdened.

Jesus, thank You for laying down Your life for Your sheep and for loving us with an everlasting love. Help us to trust Your voice above every other voice and to follow You with confidence, knowing that You are leading us through every valley into Your goodness and grace.

We declare comfort, healing, protection, and renewed strength over every person facing a difficult season today.

In Jesus' mighty name, Amen.
