

GOD IS THE GREAT I AM

I AM THE GOOD SHEPHERD - PRAYER 2

Heavenly Father in the mighty name of Jesus,

Holy are You O Lord, merciful and kind, full of love, grace and truth. I praise You Lord, thank You for Your faithfulness, Your goodness... Thank You Father that in You I have a good shepherd. You lead me in all truth by Your Spirit, for You are the God who will never leave me nor forsake me.

Oh Lord, for I delight to know Your ways. I know Father that when I feel lost, You are always near to lead me, to guide me and show me the way I should go. Instruct me Father in all my ways. Speak Your word of truth Father in times of confusion and uncertainty. Enlighten me Father. Teach me and counsel me with Your loving eye. For You promised to lead the blind in ways they don't know, guide them in unfamiliar paths.

When I am faced with challenges or difficult situations, I can stand on the promise of Your Word and believe Father that You will guide me along the right paths for Your name's sake. Make me lie down in green pastures. For Your Word is a light to my path.

I receive Your guidance Oh, good Shepherd today regarding my life, my business, my plans, and my decisions. I know Father, as your Word promises, Your presence has gone before me today. Your presence levels every mountain, makes every path straight. In You, I put my trust. I'm leaning into Your understanding, for you will make my way prosperous.

In Jesus' name I pray, Amen.
