

JEHOVAH EL GIBBOR (MIGHTY GOD/GOD THE WARRIOR) - PRAYER 2

Father, Jehovah El Gibbor,

I come before You today feeling the weight of things I do not always know how to carry. Some battles are visible, and some are hidden deep within me, but none of them are hidden from You. Thank You that I do not have to face life alone because You are El Gibbor - my Mighty God, my defender, and the One who fights for me.

Lord, there are moments when I feel tired from trying to stay strong. Times when fear, uncertainty, disappointment, or pressure try to overwhelm my heart and mind. Yet even there, You remain faithful. When I feel weak, remind me that Your strength is made perfect in weakness. When I feel anxious about the future, steady my heart with Your peace.

Jehovah El Gibbor, fight for me in the areas where I feel worn down. Fight for my peace when my thoughts become heavy. Fight for my health, my family, my future, and the things I carry silently before You. Go before me in every conversation, every decision, and every challenge I may face.

Help me to stop carrying burdens You never asked me to hold alone. Teach me to rest in the confidence that You are greater than every obstacle, every delay, and every fear trying to rise against me.

Today I choose to trust You completely. Even when I cannot see the outcome, I know that the Mighty God is working on my behalf. I will not be ruled by fear because I belong to El Gibbor - the God who protects me, strengthens me, and never leaves my side.

In Jesus' name, Amen.
