

JEHOVAH EL ROI PRAYER 1

Heavenly Father,

I come before You with faith and expectation, declaring that You are Jehovah El Roi, the Lord that sees me.

I believe that you see into every part of my life - my body, mind, emotions, relationships, and every situation I face.

You know in my heart Lord, the decisions I have to make, the challenges I have to face, Elroi, you see me, please lead me.

Lord, my enemies wait to see me fail, they obscure the truth, Elroi save me through these moments that are not so clear.

Elroi in the darkest times of my life when all I have seems lost, you see me, and fight for me. Lord, I declare that you see me, that my enemies shall not be victorious over my life, anxiety, discouragement, and hopelessness will not have authority over my life, for The Lord sees me and will fight for me.

As you were watching over Hagar in the wilderness, Lord see me through this season.

I fall everyday with many failures, Elroi the Lord that sees, strengthens me and leads me every step of the way.

Father help me to trust that you see me even when I feel far from you.

I believe that you see me, that you give me restoration, peace, and grace over my life today.

In Jesus' name, Amen.
