

JEHOVAH JIREH (THE LORD WILL PROVIDE) - PRAYER 2

God I thank you that you are Jehovah Jireh, the God who provides. I declare that you will supply all my needs (in my life, my family, my relationships, my career, my ministry) according to your riches in glory.

You are the God who teaches me how to profit and leads me in the way I should go.

God I thank you for the wisdom, leading, guidance and direction to make wealth in my business, my career and my finances. I declare according to Your Word that You will provide seed for sowing and bread for food and You will increase the seed of my supply. I declare that the seed I sow falls on good ground and yield a bountiful harvest.

You are the God who owns the cattle on a 1,000 hills so I know that my provision and all that I need is secure in You and I have no lack. I declare there is no lack in my finances, my career, my relationships, my ministry, my life because you are my provider.

I declare that I am generous because of your provision and in all things you cause me to prosper. I will give freely to many and lend from none. I will not grow weary of doing good, being faithful and sowing seed because at the right time It will yield a harvest if I don't give up.

In Jesus' Name, Amen.
