

JEHOVAH RAPHA (THE LORD WHO HEALS) - PRAYER 1

Father God,

I come before You today with faith and gratitude, knowing that You are my healer, my restorer, and my loving Father. Your Word declares that You are Jehovah Rapha, the Lord who heals, and I hold onto that truth today. You see every part of my body, every weakness, every pain, every concern, and nothing is hidden from You.

Lord, I place my body into Your hands. I ask that Your healing power would flow through me from the top of my head to the soles of my feet. Touch every area that needs restoration. Strengthen what is weak, repair what is broken, and bring life where there is weariness. I pray for complete healing according to Your perfect will.

I declare that sickness does not have the final say over my life, you do. Your promises are greater than fear, symptoms, or uncertainty. Help me trust You even in the waiting and give me peace that surpasses understanding. Let my heart remain anchored in hope and my eyes fixed on You.

Thank You that You are near to me, that You care deeply for me, and that I never walk through this alone. I receive Your peace, Your strength, and Your healing touch over my body today. I choose faith over fear and trust that You are working even now.

In Jesus' name, Amen.
