

JEHOVAH SHAMMAH (THE LORD IS HERE/PRESENT) - PRAYER 1

Almighty God our heavenly Father,

Thank you that we have the birth-right to call you Father. Thank you that you are our Jehovah Shammah - our ever present help at all times. We can rest knowing that we can count on you being there for us. You never leave our side as we journey through this world. You keep your promise that you will never leave nor forsake us.

You guide us with your Eye as you lead us into freedom and restoration from places of bondage and chaos. Knowing you are there gives us the strength to persevere. It reminds us that we are more than conquerors because the One who conquered it all is walking alongside us.

Though we might get weary on the way, we know that we will triumph in every season because you are there. Not just there for us in support and guidance, but you are there in our future, waiting on us as we journey. That gives us confidence, hope and peace that restoration and healing belongs to us.

Thank you for always being there for us ; past , present and future. Thank you that we can call on you as Jehovah Shammah - our ever present help. Help us to come alongside you, to not be stubborn as You guide and lead us into restoration.

Thank You, Lord that You are Jehovah Shammah - the God who is there. Thank you that you are there in uncertainty, loneliness, fear, and transition. Remind us that Your presence never leaves us.

In Jesus' name, we pray, Amen
