

JEHOVAH EL OLAM (THE EVERLASTING/ETERNAL GOD) - PRAYER 2

Young hearts, lift your eyes today and remember this: you are held by Jehovah El Olam - the Everlasting God.

Before your story began, He was already there. Before you understood your purpose, He had already written hope into your future.

When life feels uncertain, when pressure surrounds you, when comparison steals your confidence and fear whispers that you are not enough, remember who walks beside you. The God who created time is not intimidated by your questions, your struggles, or your future. He is not rushing your journey. He is shaping you through it.

Jehovah El Olam sees the dreams hidden deep inside you - the ones you speak about openly and the ones you protect quietly in your heart. He sees the battles no one else notices: the pressure to fit in, the fear of failure, the disappointment, the loneliness, and the moments where you wonder if you are strong enough to keep going.

And still, He calls you chosen.
Still, He calls you loved.
Still, He calls you forward.

You do not have to carry tomorrow before it arrives. The Everlasting God is already standing in your future, preparing the way, opening doors, building strength within you, and teaching you how to walk with courage.
So today, breathe again. Hope again. Trust again.

Your life is not forgotten. Your purpose is not delayed. Your story is not over.

Today we declare:
Jehovah El Olam goes before us and walks beside us.
We will not be ruled by fear, insecurity, or confusion.
We are growing, learning, rising, and becoming everything God has called us to be.
Our future is secure in the hands of the Everlasting God.

In Jesus' name, Amen.
